Mouth Cancer Awareness Month

Here at Savernake Dental we supported Mouth Cancer Awareness Month in November.

Mouth Cancer Action Month is a charity campaign which aims to raise awareness of mouth cancer and make a difference by saving thousands of lives through early detection and prevention.

Mouth cancer can often be spotted in its early stages by your dentist during a thorough mouth examination,

this is something that is carried out routinely. If mouth cancer is recognised early, then the chances of a cure are good. The dentist examines the inside of your mouth and your tongue with the help of a small mirror. Remember, your dentist is able to see parts of your mouth that you cannot see easily yourself.

We currently have a display board in our downstairs waiting room with a lot more information or you can visit the Mouth Cancer Awareness website on <http://www.mouthcancer.org>

Payments

We are sorry to inform you that the practice will no longer be accepting cheques.

You are able to make payments via credit card (except American Express), debit card and cash.

If you have an outstanding bill and do not wish to come into the practice, you can call us and we can take payment details over the phone.

Thank you for your cooperation.

Orthodontics

Did you know we have a Specialist Orthodontist here at the Dental Practice?

Suzette Mulder is a private orthodontist specializing in the Damon system and Invisalign.

If you would like to book a free consultation, please speak to a member of the reception team or call us on 01672 512418.

Direct Access Hygienist Appointment

We now offer direct access Hygienist appointments. This means you can now see a hygienist on a private basis without being referred by your Dentist.

Get a Deep Clean and Fresher Breath at your convenience.

That only leaves us to wish you all a very

Merry Christmas

from everyone at Savernake Dental Practice.
